Dear Mr. Launago!

The Latvian Committee for Cultural Relations with Latvians Abroad received your postcard. Your interest in Latvian folk songs is appreciated. It is unfortunate that you were so economical in the use of paper; therefore your request is not completely clear. It is also not clear what you meant by the expression "American language"; until now we had not heard of such a language.

We shall be glad to assist you to the best of our ability, but we ask that you kindly explain your wishes in a more concrete form.

With greetings from the Homeland

[signed] G. Lazdins  
Associate of the Latvian Committee  
for Cultural Relations with Latvians  
Abroad.
